

Del Rio Botanical

Arugula

This delicious leafy plant enhances any salad with its peppery, spicy and tangy taste. Arugula's light to dark green, fleshy leaves resemble elongated oak leaves. 4#/\$17.75

Del Rio Botanical

Green or Red Frisee Mustard

Serrated oak leaf-shaped purple leaves with a pale green stem and a pronounced mustard flavor yet delicate texture. 2#/\$17.75

Custom Salad Mix

A unique blend of salad greens, flower petals & herbs. The variety changes throughout the year to feature the items growing on the farm at the moment. 2#/\$13.75

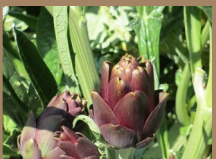

Mizuna

This Brassica, related to the mustard family, has serrated, dark green leaves and is mildly peppery and slightly spicy, but subdued compared to arugula. 4#/\$20.75

Red Russian Kale

Medium size, thick, chewy leaves are rich in color, splotched with red and purple, and toothed with red midribs, with a mildly sweet, earthy, cabbage flavor. 2#/\$17.75

Purple Artichokes

An Italian variety that are rich, nutty and very flavorful. Their 6-8 inch long stem is left attached and they are perfect for roasting, braising or steaming. 12-15ct/\$22.75.

Del Rio Botanical has everything a chef can imagine. From Arugula to Zizyphus. Seasonal produce, picked daily, overnight delivery is not just a concept, but a reality. A collection of over 1600 varieties of seeds for vegetables and herbs places Del Rio Botanicals in the unique position to provide a selection of produce that is varied, rare and targeted to restaurants. **Any vegetable or herb that can be coaxed into growing in Yolo county is available to the Produce Plus customer.** In the past year Produce Plus customers have had access to over 200 special vegetables including Nepeta catarica, Yacon, Kiwano, Horseradish leaves, Pineapple sage, Basil varieties from around the globe, Fraises des bois, Fava greens, Wild-greens braising mix, signature salad mixes, 20 varieties of peppers, 22 varieties of cherry tomatoes and more. All you have to do is ask! If you need a special vegetable or herb, just ask to have it grown for you. It is that simple. If you need it, Produce Plus and Del Rio Botanicals will grow, pack and deliver.

Del Rio Botanical

THE PRODUCE PLUS FARM

Pea Shoots

Sometimes confused with Pea Sprouts, Pea Shoots are the edible leaves and flowers of the Pea plant. Pea shoots can be used raw in salads, added to soups and stir fries or wilted-sautéed as a vegetable component. 2#/\$12.75

Fava Greens

Treat fava greens as you would spinach or pea shoots. Mix them raw into salads or wilt them slightly by tossing them with a warm vinaigrette. Fava greens are an excellent addition to pastas, risottos, salads, and appetizers. Fava greens pair well with fish and seafood. 2#/\$17.75

Arugula Rapini

Unlike arugula leaves, this arugula rapini is hearty and needs cooking. It can be combined with other greens and cooked with garlic and olive oil to make a delicious vegetable component, side dish, or gratin and is awesome in pasta, risotto and on pizzas-pairs well with poultry, salmon, tuna, shrimp, clams, mussels, and pork. 2# \$17.75

Pakistani Mulberries

A long, thin, purplish fruit, about 3 inches long. They are quite delicious, with a sweet, raspberry-like flavor. Great for jams, desserts, cheese plates, and cocktails. 6/8oz clamshells per case/\$19.50 (Requires 48 hour pre-order)
