THE PRODUCE PLUS

# Market Outlook

## LOCAL FEATURE

**Gypsy Peppers**- Gypsies are known to change color through the season. The first crops are a pale yellowish green color and gradually transform into bright orange and rich red. They have an intense sweet flavor; perfect for stuffing. Enjoy raw or roast to enhance sweetness. 10# case

**Gold Nugget Cherry Tomatoes**- An increasingly popular cherry tomato. Golden orange, round, and balanced. 12 half pint flat.

**Painted Serpent Cucumbers**- Also known as Armenian cucumbers, Serpent cucumbers are ribbed and striped. They have a mild flavor with no bitterness. 10# case
